

Note-Taking

Next-Level Note-Taking for Student Success

DATE

October 15, 2026

AUDIENCE

Students in grades 6-12

TIME

11:00-11:30 am Pacific Time / 2:00-2:30 pm Eastern Time

In this webinar, we will explore effective note-taking methods and actionable tips to help you take better, more organized notes. Developing these skills will help you stay focused during class and make your study sessions much more efficient.

WHAT WE WILL COVER

- **Proven Methods:** Learn structures like Cornell, Mapping, and Outlining.
- **Active Listening:** Discover how to identify key information during lectures.
- **Organization Tips:** Learn how to use abbreviations, symbols, and color-coding.
- **Review Strategies:** Understand how to use your notes effectively after class.
