Sessions meet in Zoom. Join links are sent through Ignitia.

Sessions are optional, but built to matter. Live sessions aren't required. They're designed so a student who attends gains a real advantage over working through the week alone.

One live session per subject, every week. Math, Science, English, and History & Bible are each taught live once a week, on Monday or Tuesday. The rest of the week is independent coursework.

Want more live support? Enlightium Prep adds Wednesday and Thursday workshops, Monday–Thursday study hall, and Friday enrichment.
