**Sessions meet in Zoom.** Join links are sent through Ignitia.

**Watch for the weekly grade-level summary.** At the start of each week the school sends a message in Ignitia highlighting all the best things your student can look forward to.

**Workshops can earn lesson credit.** In Wednesday and Thursday workshops, students can earn credit for lessons by completing and demonstrating the work during the session. Alternatively, teachers will often complete whole or partial projects during a workshop, saving students time.

**Sessions are optional, but built to matter.** Live sessions aren't required. They're designed so a student who attends gains a real advantage over working through the week alone.

**Hubs are project-based and engaging.** No registration is required to join Friday enrichment.
