Sessions meet in Zoom. Join links are sent through Ignitia.

Watch for the weekly grade-level summary. At the start of each week the school sends a message in Ignitia highlighting all the best things your student can look forward to.

Workshops can earn lesson credit. In Wednesday and Thursday workshops, students can earn credit for lessons by completing and demonstrating the work during the session. Alternatively, teachers will often complete whole or partial projects during a workshop, saving students time.

Sessions are optional, but built to matter. Live sessions aren't required. They're designed so a student who attends gains a real advantage over working through the week alone.

Hubs are project-based and engaging. No registration is required to join Friday enrichment.
